

AR-15 SKILLS & DRILLS

Master the versatile and powerful AR-15 under the tutelage of one of the nation's foremost tactical trainers with the help of *AR-15 Skills & Drills*. McKee introduces shooters to methods for developing and honing the skills necessary to operate an AR efficiently and accurately. This unique, fully illustrated reference details the essential physical and mental skills needed to effectively handle a tactical rifle and provides specific drills to cultivate and master those skills.

McKee takes a comprehensive look at the rifle's operation, giving shooters a true inside-out understanding of an AR. This reference provides imperative knowledge to ensure a shooter's firearm runs properly when called into action and helps address common malfunctions on the fly.

- Detailed training and shooting drills
