RECOIL Magazine's Collection of Unique and Exceptional ARs

RECOIL Magazine's Tribute to America's Favorite Rifle!

Eugene Stoner probably couldn't have anticipated the fanfare his invention would garner. Over the years, the RECOIL Magazine staff has had a chance to go hands on with some of the best versions of the enduring AR rifle. Now we're bringing that information to you. We've collected some of the best builds, reviews, and recommendations you're likely to find in one place. From the tried-and-true to the outrageous, check out our tribute to a rifle design that shows no signs of ever getting old.

For your viewing and learning pleasure, inside these pages you'll find:

- The rich history behind the AR
- Reviews of some of the best platforms on the market
- Builds you can duplicate with off-the-shelf parts
- Interviews with some of the industry's biggest personalities
- Unconventional rifles that redefine the AR's versatility

A few of the most attention-getting topics include chapters on unconventional uppers and lowers; the 1,000-yard AR-15; suppressed ARs; AR-15s in oddball calibers; budget blasters; retro AR-15 designs; and much, much more!
