

BLADE's Guide to Making Knives, 3rd Edition

Take your knifemaking skills to the next level

This indispensable and updated guide gives step-by-step instruction on making some of the most popular knives around. Readers will learn to create the perfect blade, whether it is a folding knife, dagger, bowie or anything in between. And the reference's vivid illustrations make certain expert and novice knife craftsmen get the point of every tip and technique presented.

Authored by an all-star cast of knifemakers and knife experts, with *BLADE'S Guide to Making Knives, 3rd Edition* makers can be certain that they're learning the trade from the best. Knifemakers will learn forging blade steel from Don Fogg, wax casting from Kevin Hoffman, knife designing from Ryan Johnson and many other vital techniques from top experts in the field.
