

MODERN SURVIVAL GUNS

Modern Survival Guns covers all aspects of the state-of-the-art in firearms, ammo, optics, and critical shooting gear for all types of emergency and survival situations. But, it doesn't stop there. This is a complete guide to survival, including information on knives, tactics and emergency support systems such as food, water and medicine. This book tackles self-defense, concealed carry, and why shooters should reload their own ammunition. Right now, there is much uncertainty in the world and the U.S. about the future. This book teaches citizens how to handle it.

Inside this comprehensive volume, readers will find:

- Expert advice on the latest rifles, shotguns and handguns for any survival situation
- Honest evaluations of ammunition, accessories, and gear to solve real-life situations
- Tactics to preserve and conceal firearms if the worst comes to pass
