

Precision Rifle Marksmanship

The Fundamentals

Frank Galli, a Former Marine Sniper, Explains the Basics of Long-Range, Precision Rifle Shooting

Precision rifle shooting is one of the hottest trends in recreational and competitive shooting today. *Precision Rifle Marksmanship: The Fundamentals* will take readers from author Frank Galli's beginnings as a Marine scout sniper to his present-day job as a marksmanship instructor as he guides new shooters on their journey toward long-range shooting excellence.

What's Inside:

- Breaks down the fundamentals of marksmanship in an easy-to-understand methodology
- Follows a logical order of instructions in the same way he teaches students at the firing line
- Invaluable insight about how to compensate for wind speed and direction
