

Standard Catalog of Military Firearms

9th Edition

With more than 2,000 listings, this is the No. 1 guide to pricing and identification of military arms and accessories from around the world!

Now in its 9th Edition, *Standard Catalog of Military Firearms* is the undisputed best source available for pricing and identification of military handguns, rifles and shotguns, as well as Class III automatic firearms and accessories. Author Phillip Peterson, a recognized expert in military history and firearms, has completely updated the pricing of more than 2,000 models of military firearms manufactured since 1870. *Standard Catalog of Military Firearms* is the trusted source for the legions of militaria fans and collectors who value having expert knowledge at their fingertips as they study the weapons that have shaped our world's history.
