

# The Illustrated History of Firearms, 2nd Edition

From the earliest hand cannons dating back to 1350, to the finest sporting rifles of the 21<sup>st</sup> Century, this 2<sup>nd</sup> edition of *The Illustrated History of Firearms* covers them all. Spectacular, full-color photos of more than 1,700 guns with detailed captions walk readers through the background and development of virtually every type of firearm ever created, and the people who influenced their use and designs.

More than a reference book, *The Illustrated History of Firearms* brings context to the role firearms have played in shaping world events while also charting the development of today's guns for self-defense, competition, recreation and hunting. Painstakingly researched by expert curators at the NRA National Firearms Museum in Fairfax, Virginia, this 320-page, hardbound work of art is as educational as it is beautiful.
